PBQ cannot promise perfection; I am human. Sometimes things may not turn out the way you have pictured it in your mind. Sometimes the quilt provided isn't square or the borders don't lay flat and I am forced to deal with a minor ruffle at the bottom of the quilt as I finish it. When you send your quilt to me, you acknowledge that situations like this may arise. Rest assured that I will try my hardest to provide an end project that will bring you joy and make you smile. If not, I will work to make it right. Thank you for letting Pigs in a Blanket Quilting share in the creation of this memory for you.
